- **Richard Zimmerman** - CEO, Six Flags | Interface working relationship
- **Greg Yost** - Equity owner / operator, Hawaiian Falls | Ownership interests in Garland & The Colony; Group Sales and Annual Pass corporate oversight and operations across the system

WHAT THESE RELATIONSHIPS DEMONSTRATE

- **C-Suite Credibility** - Comfortable and experienced working directly with owners, CEOs, COOs, CFOs and presidents
- **Relationship Origination** - Connects investors, operators, engineers, developers and public officials who do not ordinarily sit at the same table
- **Cross-Sector Perspective** - Sports, film, theme parks, waterparks, real estate and public-private development
- **Complex Execution** - Capital, development, operations, government, infrastructure and stalled-project resolution
- **Private-Equity Relevance** - Executive access plus owner/developer/operator judgment that can support diligence, portfolio growth, boards and special situations
